BURGLARS ABROAD

Saturday Night and Sunday Night—Three Residences Raided—Diamond Ring Taken.

The residence of Mr. J. W. Foxworthy on East Third street was entered by burglars early Saturday night and the rooms ransacked. The only article missing, however, is a diamond ring valued at \$150.

Mr. and Mrs. Foxworthy were spending the evening with Mr. and Mrs. B. W. Goodman, and returned about 10 o'clock. They at once reported the theft to the police.

The thieves entered by cutting a slot out of a rear shutter and opening it and raising the window. A gold watch, a silver watch, an opal ring and a lot of silverware were left undisturbed. The job is credited to home talent, but the police have not made any arrests.

The residence of Editor Thomas A. Davis on West Second street was also broken into Saturday night while the family were up town. The rooms were ransacked, but nothing of value is missing.

Last night, between 7 and 8:30 o'clock, while Mr. M. B. Clark and family were at church, their residence, adjoining Chief of Police Donovan's home on East Fourth street, was entered by thieves.

The burglars unlatched the screen door, and then used a pair of nippers in turning the key of the inner door, the key having been left on the inside of the lock. Bureau drawers, valises and trunks were ransacked, but nothing taken. The thieves evidently wanted cash only.

Officers are at work on these cases. Citizens should be on the watch while this burglarious raid is in progress.

Maysville Boys in Trouble.

The Enquirer says Arthur Greggson and John Shepherd, two young men who claim to hail from Maysville, are under arrest at Newport charged with the theft of nearly a wagon load of barge rope from Crane & Company. The rope was stolen Tuesday night, but no attempt was made to dispose of it until Wednesday night, when they came to Junk Dealer Spechter's place and offered to sell it at such a low price that the latter's suspicions were aroused. Spechter notified the police and Officer Creighton made the arrest when Shepherd and Greggson came back. The rope was almost new and there was at least 250 feet of it.

Trusts

Generally control the markets, local and foreign, which causes the consumer to bear the burden, for there is no competition. The firm who would secure the exclusive sale of any article of merchandise only do it so they can try and force the people to pay their price, which is higher as a rule, especially when the same article can't be bought in the community. We claim to be true friends of the people, and go into market, cash in hand, buying of the

Best Tailor-Made Clothing

possible, for all classes; also, Shirts, Underwear, Neckwear, Suspenders, Hats, Caps, Trunks and Valises. We claim that our business is closely watched as to expense. Therefore we do not care who handles the same merchandise as we do, even if it's of the same make; we would rather that they did, for we do and can sell for a closer margin of profit (and they know it; that's one reason they want to be exclusive) than any other firm in Maysville. We might mention that we are in a position to get any article under the sun in the way of Clothing, Hats, or Furnishings for man or boy, and will continue as ever to be the true friends of the people by selling good, clean, first-class merchandise of any make, a shade cheaper than those who would control our community.
